"Camilita came into my company to help me grow my sales in September 2016. One part of my business was losing money month after month. I hired Camilita to spend 1 day in my business as we looked at ways to revolutionise sales and to maximise profits in less time.

From her extensive knowledge, training and practical steps in increasing sales and customer focus, my business had THE BEST 4th quarter sales ever with a 300% increase from the previous year!

I highly recommend Camilita if you need to grow your sales locally or internationally."
